Your letter dated June 7, 1995 (Enclosure 1), requested a State Director Review (SDR) of an order from the Miles City District Office (MCDO) dated May 26, 1995 (Enclosure 2). This order directed Terrol Energy, Inc. to take corrective action to clean-up the wellsite and the repair of the dike for the following location:

Well Name

Well Location

Foote No 8-5

SW~~1~~/~~4~~NW~~1~~/~~4~~ Sec. 8, T. 29 N., R. 50 E., Roosevelt
County, Montana

Terrol was further directed to complete the above actions within 14 days after receipt of the MCDO's letter, i.e., by June 12, 1995.

On June 12, 1995, the MCDO received and approved a Designation of Operator designating Eagle Minerals, Inc., as the operator of the Foote No. 8-5 well (Enclosure 3). As a result of this approval, Eagle Minerals is now the responsible party for this wellsite.
